

# i30 N

# The spirit of N.

"They've hit the nail on the head when it comes to designing the perfect car for Kiwi roads."

- Hayden Paddon

Every new chapter has a beginning. This is ours. The i30 N is Hyundai's first true high-performance car developed to debut the N division and redefine the way in which the world views our vehicles. With the award-winning third generation i30 as its basis, the i30 N has been created by a team of talented, enthusiast engineers to deliver uncompromised driving exhilaration on both road and track, without sacrificing the civility and comfort needed for daily enjoyment.

Hayden Paddon, New Zealand Hyundai WRC Driver

"The Hyundai i30 N has been developed for no other purpose than to deliver maximum driving fun to our customers in an accessible high-performance package."

- Albert Biermann, Head of Hyundai 'N' Division

## Track ready.

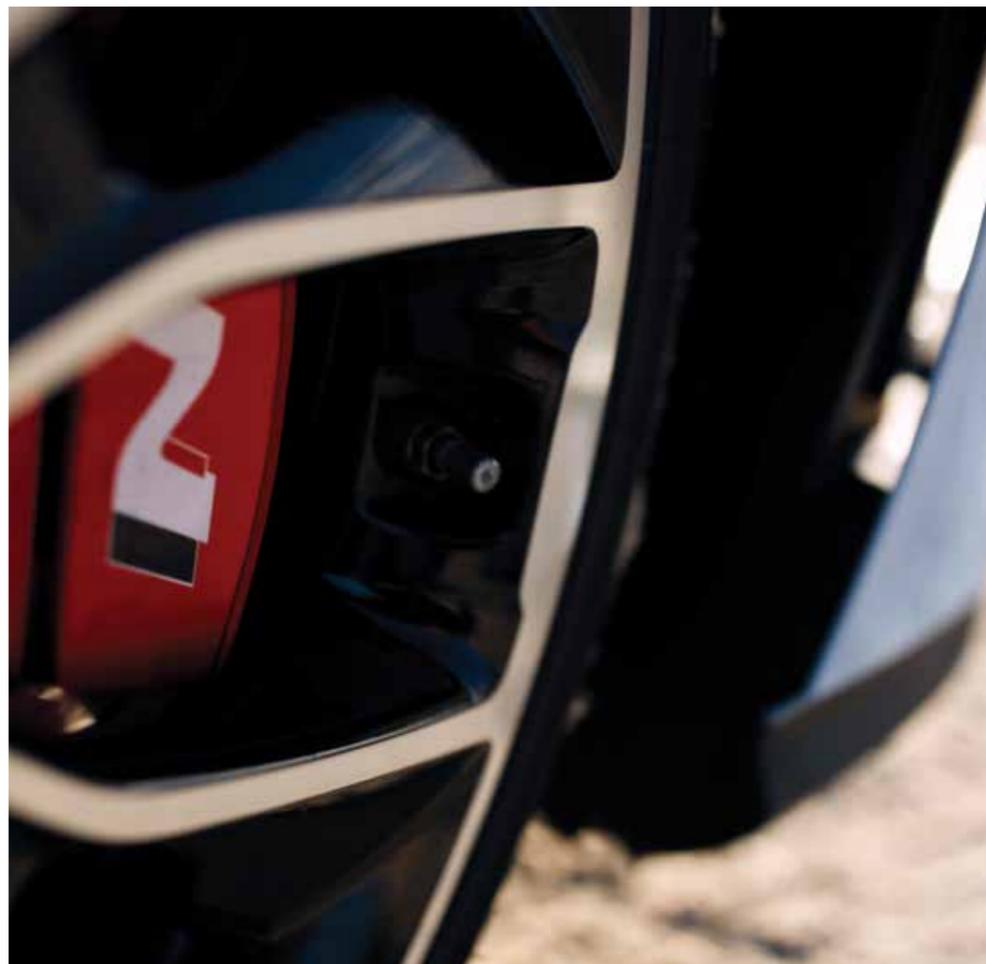

The i30 N was born in Namyang, Korea, at Hyundai's global R&D Centre, then honed at the Nürburgring, nicknamed the Green Hell, arguably the most challenging race track in the world and home of Hyundai's Testing Center. It was only through a punishing development program that took in nearly 500 laps at this unforgiving circuit, and around 10,000 kilometres of testing overall, that we could make a model truly worthy of being the first to wear the N badge.

# PC

The heart of any high performance car is of course its engine. The i30 N features a specially developed 2.0-litre four cylinder powerplant featuring direct injection, variable valve timing and twin-scroll turbocharging to produce 202kW and 353Nm. A high-capacity cooling system ensures this engine runs at optimum operating temperature, even when the heat is really on. An overboost function allows peak torque to rise to 378Nm for brief full-throttle applications, delivering exhilarating performance. Acceleration is urgent; thrilling, while overtaking moves are dispatched with swiftness.

# power

**202kW. 353Nm.**

# Performance, reimagined.

The entire chassis of the i30 N, from suspension, steering, brakes and tyres, has been thoroughly revised to delight and thrill driving enthusiasts. A lower, firmer suspension tune combined with the adjustability of electronically controlled dampers means the i30 N delivers exceptional turn-in characteristics and body control, without sacrificing the ride compliance needed for daily driving comfort.

## Corner-carving brilliance.

The electronically controlled mechanical limited slip differential (e-LSD) uses a hydraulically actuated clutch pack to distribute torque intelligently between the two front wheels

depending on throttle inputs, steering angle and cornering force. This technology reduces wheelspin and understeer while increasing traction and cornering speed, thus allowing the driver to extract maximum performance from the i30 N.

## Superior steering.

Extensive upgrades to suspension hardware, as well as suspension geometry revisions over a standard i30, ensure brilliant dynamic performance. Zero scrub radius makes the steering more precise, delivering faster on-centre response and improved linearity. To provide greater levels of precision, feedback and driver connection, the

electric motor that provides steering assistance has been moved from the column to the rack. The number of turns lock to lock has been reduced to just 2.14; faster steering equals greater responsiveness and agility.

## Electronically controlled suspension.

To deliver optimum ride and handling regardless of road surface, the i30 N is fitted as standard with Electronically Controlled Suspension (ECS) featuring three selectable damping modes: Normal, Sport, and Sport+. Yet it's not as simple as Soft, Medium, and Hard. The sophistication of this system allows continuous damping control,

independently adjusting the compression and rebound damping force for each of the four dampers all the time. ECS incorporates three primary control functions: Event Control can intervene with greater damping force when a significant body G load is detected, assisting in big bump recovery and improving overall vehicle stability. Ride Control performs road surface detection, and selects the appropriate damping force for the impacts detected by the vehicle's G sensors. Finally, Load Transfer Control contains roll, pitch and yaw. This function reduces dive under brakes, improves turn in, and allows the i30 N to extract maximum adhesion from its tyres in dynamic driving.

# For the driven.

"It's a car that makes you feel like part of the road and part of the car - from a driving experience perspective it's very authentic."

- Hayden Paddon

#### Launch control.

So you already know the i30 N was developed at the world's most punishing race track, and has the suspension, tyres and brakes needed to deliver in the extreme environment of a circuit. But did you also know the i30 N features Launch Control, to let any driver make a perfect, fully optimised standing start like a professional driver every time? When selected, Launch Control enables the driver to select first gear, flatten the throttle, modulate the clutch, and allow the system's sophisticated electronics to manage torque output, minimise wasteful wheelspin and make the quickest getaway possible.

#### Rev matching.

The six-speed manual transmission has been optimised to provide short, positive throws of the lever, with ratios intelligently chosen to maximise the engine's power and torque characteristics. Internally, the gearbox benefits from an uprated gearset for durability, while carbon-faced synchronising rings ensure smooth, crisp shifts every time.

Enhancing the manual gearbox is automatic rev matching, a function that automatically blips the throttle on downshifts, faithfully replicating the 'heel-and toe' technique used by advanced drivers to deliver smooth downshifts where revs and road-speed are perfectly synchronised. However this feature can be disabled for skilled drivers who demand the ultimate control and performance driving experience.

Whilst the i30 N has been designed for ultimate fun on the track, the vehicle warranty does not cover defects if the vehicle is used under racing conditions, speed endurance trials and timed or rallying competitions. Please refer to the full terms and conditions for details and exclusions.

# Drive it your way.

## N Drive Mode System.

No matter what the road or driving conditions, the i30 N has a mode to suit. Choose from five individual drive modes: Eco, Normal, Sport, N or N Custom settings, activated by two dedicated buttons on the steering wheel. Crucially, all the discrete parameters of engine mapping, damper firmness, steering weight, e-LSD characteristics, stability control and exhaust sound level can be individually selected and saved via the N Custom setting, allowing unprecedented tailoring of the i30 N's driving experience. In fact, the N Custom mode allows a possible 1,944 combinations to be selected.

## Sounds like a hot hatch.

So how does it sound? The i30 N's Active Variable Exhaust System is a twin-outlet installation featuring three settings, allowing the driver to select the ideal level of exhaust sound for the conditions – keep it subdued around town, or allow the engine's full vocal range to be enjoyed when the open road or track beckons. In its most sporting setting, throttle lifts and downshifts bring a thrilling volley of rasping crackles and pops that have to be heard to be appreciated.

'It's a comfortable, practical ride - but it's got the N switch that turns it into a bit of a monster!'

- Hayden Paddon

Overseas model shown

# Form and function.

The i30 N features an exterior designed to cheat wind and win hearts. The front headlamps are distinguished by a black bezel; the aggressive front bumper features larger air intakes and incorporates functional brakes ducts to channel cooling air to the red brake calipers with N logo residing behind the unique 19-inch aluminium wheels. At the rear, a more aggressive rear bumper and apron team with an aerodynamic spoiler featuring a signature triangular brake light. The body revisions do more than contribute to a great appearance; they reduce drag, increase downforce and enable the i30 N to feel glued to the road at speed.

The interior of the i30 N is unlike that of any other Hyundai. It starts with sports front seats, available in suede effect/leather which are designed to provide exceptional support and comfort. Extendable under-thigh cushions for both driver and front passenger further enhance this. In front of the driver sits the bespoke N steering wheel with dedicated N-mode button, as well as an N-specific race computer which features a lap timer, G-force meter, boost gauge, and launch control. The shift timing indicator positioned at the top centre of the cluster indicates when to shift gears for optimal track driving. The exclusive N sports interior is tailored to seduce and satisfy the enthusiast driver.

19" alloy wheels

Dual-level rear spoiler & triangular brake light

N exclusive steering wheel

Suede effect/leather appointed seats

"A great car to go to the supermarket in but you can also take it on the race track - and then drive home again."  
 - Hayden Paddon

# Connected convenience.

The i30 N might have a racing pedigree, but it's packed with the comfort and convenience features you'd expect in any modern car.

To ensure you're always connected, the i30 N comes with an 8-inch multimedia touchscreen with DAB+ radio, Bluetooth<sup>1</sup> connectivity and Apple CarPlay<sup>2</sup> and Android<sup>3</sup> Auto compatibility. It also comes with satellite navigation and SUNA<sup>4</sup> Live Traffic Updates<sup>4</sup> to help you navigate the best route.

The i30 N comes with a range of luxury features and it start with a 12-way electrically adjusted driver's seat with memory system; a heated steering wheel, rain-sensing wipers and wireless smartphone charging<sup>5</sup>.

Wireless smartphone charging<sup>5</sup>

1. Bluetooth<sup>®</sup> is a registered trademark of Bluetooth SIG, Inc. 2. Apple CarPlay<sup>™</sup> functionality requires software update. Apple CarPlay<sup>™</sup> requires iPhone 5<sup>®</sup> or subsequent model (lightning cable) in order to operate. Apple<sup>®</sup> and iPhone<sup>®</sup> are registered trademarks of Apple Inc. 3. Android<sup>™</sup> Auto requires a device with Android 5.0 operating system or subsequent version in order to operate. Android<sup>™</sup> is a registered trademark of Google. 4. SUNA<sup>™</sup> live traffic channel coverage is available in the following metropolitan areas only: Auckland, Tauranga, Hamilton, Wellington, Christchurch, Dunedin. 5. Wireless smartphone charging: requires a Qi-enabled smartphone or adapter to operate.

# Backed with safety technology.

When you get in a car that performs as well as the i30 N, it's comforting to know that you're backed by some of the best safety features available. That's why we've fitted the i30 N with Hyundai SmartSense™ technologies.

Forward Collision Warning (FCW) and Autonomous Emergency Braking (AEB) use a camera to detect potential collisions and work together to alert you and/or apply the brakes if you haven't already.

Lane Keeping Assist System (LKAS) alerts you to unintended lane departure and provides steering intervention to keep you centred in the lane, while the Driver Attention Alert (DAA) will recommend you take a break if it detects careless or inattentive driving.

But it's not just Hyundai SmartSense™ technologies that are working towards keeping you protected. The i30 N comes with seven airbags as standard, rear view camera and Front & Rear Park Assist System and Tyre Pressure Monitoring System (TPMS).

Lane Keeping Assist (LKAS)

Autonomous Emergency Braking (AEB)

2. Load capacity = 75kg evenly distributed over 2 bars. Roof racks should be removed when not in use. Image used for illustrative purposes only.

3. Requires fitment of roof racks at additional cost.

# Hyundai's Commitment to you

## Our promise

We understand your decision to purchase one of our vehicles is not being made lightly and we thank you for putting Hyundai on your list. We know that by the time you decide which vehicle you want to purchase, you'll have had a good look at what's on offer in the market, and carefully weighed up the pros and cons of each. We hope you make the right decision for yourself. If you do decide to choose Hyundai, that won't be the end, it'll just be the start. Our goal is to live up to the confidence you've shown in us, by giving you the best customer service experience in New Zealand.

We call this the Hyundai Ownership Experience – which is a slightly corporate way of saying “we promise to look after you”.

The Hyundai Ownership Experience will actually start before you even have the keys in your hand, as your Hyundai dealer takes you through the things you need to know to get the most out of your new vehicle.

## Personal handover

When you come in to pick up your new Hyundai, your dealer will take you through it from bumper to bumper. They'll show you where everything is and how everything works. They'll make sure you're across all those little things most people forget to ask about, like:

- » How to set up your mobile phone to work with Bluetooth
- » Where the tool kit and spare tyre are
- » How to connect and play your iPod through the audio system
- » Where to find the first aid kit

They'll also check there's a full tank of fuel, that the vehicle is spotless inside and out, and that any accessories you specified are fitted just so.

This is also our opportunity to introduce you to the service team, who'll be looking after you in the years to come.

**“THE DEALER EXPLAINED THE TUCSON TO ME AND WAS PATIENT WHEN WE HAD QUESTIONS.”**

— GARY COCKRAM HYUNDAI CUSTOMER FROM CHRISTCHURCH

## Meet the rest of the family

There's a good reason why your dealer will introduce you to the rest of the family. They're the people entrusted to be hands-on through your Hyundai Ownership Experience – the team who'll look after you and your vehicle when you come in for scheduled servicing.

There's no charge for the first service, and it happens after the first month on the road. Then it happens every 10,000 / 15,000 km\*.

It's always good to be able to put a face to a name. And knowing them means you can call personally to discuss any concerns. Our people are experts at what they do and keen to show you how good they are. It's a pride thing and we encourage it.

## A superb warranty and Roadside Assistance

Every new Hyundai is protected by our 3 year / 100,000 km factory warranty. In a nutshell, if there's any manufacturing issues, we'll fix them. But there's more.

Hyundai Roadside Assistance is included as part of our new vehicle warranty. It means if you should have an accident, puncture a tyre or run out of fuel anywhere in New Zealand, we'll send someone to get you up and running again – 24 hours a day, 365 days a year.

Extending your warranty beyond the factory period can make your ownership experience better yet. It's certainly worth considering. Our extended warranties can later be on-sold with the vehicle, something sure to increase its eventual resale value.

## Servicing from trained Hyundai experts

Regular scheduled servicing within our network has real benefits.

Our specialist technicians use Hyundai diagnostic equipment to spot things that may be missed by the untrained eye.

We use genuine Hyundai parts, of course. These parts are built and tested to be specifically correct for your vehicle and are covered by a 1 year / 20,000 km warranty.

Your safety and the safety of your passengers are our number one priority. We can't vouch for the safety or performance of non-Hyundai parts. They have to be only slightly off or incorrectly installed and the integrity of your vehicle will be compromised.

If the cost of servicing is a concern for you, committing to a pre-paid service contract from day one will cost you less in the long run. You can sign up for these to cover your servicing needs for every service interval, which is every 10,000 / 15,000 km\* or yearly (whichever happens first). You can do this for as many years as you want, and they're available for any Hyundai, no matter how old.

## iQ Enrich your Hyundai ownership with iQ

Hyundai iQ is an online space designed to make your experience of owning a Hyundai even more seamless. On iQ you'll find practical tools, like the ability to set up reminders for when your next service is due, when your WOF and Road User Charges are about to expire and more. You can even book your next service online, and if you have your vehicle serviced at a Hyundai dealership, your service history records will show in iQ.

24 hour, 7 days a week Roadside Assistance is included on every new Hyundai for the first 3 years of the vehicle. Beyond this period if you update your odometer details on

iQ you will receive complimentary roadside assistance for 6 months. There's heaps of fun stuff like free Kiwi song downloads, kids' audio books for the road, and a growing library of helpful videos for you to enjoy - and it can all be done on your computer, smartphone or tablet.

Join as an owner or non-owner and share your opinion about your Hyundai, or ask existing owners about what it's like to own one. To sign up, simply visit [www.hyundai.co.nz/iQ](http://www.hyundai.co.nz/iQ) and complete the simple registration process. We look forward to having you in the iQ community!

[www.hyundai.co.nz/iQ](http://www.hyundai.co.nz/iQ)

\*Servicing for petrol turbo models is every 10,000 km or 12 months (whichever occurs first)

## Insurance

Our insurance offering is part of Hyundai's commitment to improving your ownership experience.

Hyundai Insurance offers several exclusive benefits not available with other motor vehicle policies. For example, if your Hyundai is still in factory warranty, was purchased from a Hyundai dealer in New Zealand and is damaged beyond repair, we'll replace it with a brand new one\*.

There's no excess if your glass is broken up to \$2,000 cost, and we'll cover up to \$1,500 cost for the trailer you were towing if that's damaged\*.

You can be sure only guaranteed, genuine Hyundai parts will be used in repairs\*\*, and that only approved repairers will be working on your vehicle.

We also offer a Hyundai Insurance specific 24 hour assistance number: 0800 123 266.

\*See your Hyundai dealer for full terms and conditions. \*\*Applies to new vehicles for five years.

## Hyundai Fleet

If you're looking for the right vehicles for your business, Hyundai has the perfect fleet solution for you.

Whatever your business size or requirements, you can get the job done by choosing from Hyundai Fleet's diverse range of 14 models and 3 trucks, all of which offer the latest in technology, efficiency, safety and style. And as a Fleet customer, you have the flexibility of a range of ownership and leasing options, as well as tax benefits and great value servicing.

So, from the city loving Accent to the cargo carrying iLoad, our fleet services can provide the right vehicles to help drive your business forward. For more information visit [www.hyundai.co.nz/fleet](http://www.hyundai.co.nz/fleet)

## In the company of Kiwis

The Hyundai brand has grown rapidly into a global auto industry powerhouse. But first and foremost, Hyundai New Zealand is a New Zealand company.

Hyundai New Zealand is 100% kiwi owned and all our Hyundai dealers are 100% NZ operated. That's something we're pretty proud of.

This structure gives you the best of both worlds. The benefits of global resources and the huge investment in Research & Development that Hyundai makes, combined with our local commitment and understanding.

We're also very aware of what it means to be a New Zealand company. Our commitment to being a good Kiwi citizen starts with our treatment of customers and extends out into their communities.

We've actively supported the National Agricultural Fieldays for over a decade. We sponsor Hyundai Country Calendar, put money into NZ sailing, and are major sponsors of the Spirit of

Adventure Trust. We're also extremely proud of our New Zealand sponsorship of Kiwi rally driver, Hayden Paddon.

Our sponsorships allow us to offer customers the chance to join us as VIP guests at many of our events, including on board the Spirit of New Zealand and at Fieldays. Look out for these invites from time to time.

The Hyundai Experience will continue to grow and expand. We really want to give you the most rewarding experience you've ever had with a company.

Hyundai Country Calendar visits Doug Avery and his mates on his North Island farm for a yarn.

## Hyundai Ambassador Team

Speaking of 0800 numbers, if you dial 0800 HYUNDAI (498 632), you'll be talking directly to one of our Hyundai Ambassador Team members in New Zealand. We operate a local call centre. Our team are trained to support you with any concerns, and they'll be able to help you out with anything you need them to.

We respond to every request, no matter how big or small, as quickly as we can. That's the New Zealand way of doing things, and it's our way too.

If it's an emergency you'll be put straight through to our Roadside Assistance team, who are trained to deal with any situation and will get someone out to you as quickly as possible if that is what is required.

## The Pinnacle Programme

The Pinnacle Programme is a unique scholarship, backed by Hyundai New Zealand, which provides talented young New Zealanders between the ages of 15 and 18 with the foundations for future success. The Programme is open to young kiwis with talent in all areas of endeavours, including, but not limited to, art, sport, science and business.

[WWW.PINNACLEPROGRAMME.CO.NZ](http://WWW.PINNACLEPROGRAMME.CO.NZ)

Future New Zealand leaders as part of the Pinnacle Programme spend 21 days on New Zealand's iconic Outward Bound programme in Anakiwa, at the top of the South Island.

JOIN US ON [WWW.FACEBOOK.COM/HYUNDAINZ](http://WWW.FACEBOOK.COM/HYUNDAINZ)

Watch Ruby's story on [www.familytimeproject.co.nz](http://www.familytimeproject.co.nz)

## The Hyundai Family Time Project

Kiwi families are busier than ever. We have less time for each other than we had a generation ago. We're certainly working longer hours.

We did some research and found that 50% of New Zealanders say work commitments are reducing the amount of time spent with their families and 30% believe work is eating into precious weekend time together.

This is not ideal, so Hyundai New Zealand has come up with an ambitious plan to help make things right. It's called the Hyundai Family Time Project and its goal is to remind New Zealanders of the importance of every single hour they spend with their families.

[WWW.FAMILYTIMEPROJECT.CO.NZ](http://WWW.FAMILYTIMEPROJECT.CO.NZ)

# Specifications.

Car type	i30 N
Engine:	2.0 litre 16 valve twin overhead cam with gasoline direct fuel injection with turbocharger
Fuel system	Gasoline Direct Injection (GDI)
Displacement (CC)	1,998
Maximum power (kW/rpm)	202 kW / 6,000 rpm
Maximum torque (Nm/rpm)	353 Nm / 1,500-4,700 rpm (378 Nm on overboost)
Variable Exhaust Valve System	•
<b>Transmission:</b>	
Transmission type	6 Speed Manual with Rev Matching Function
Electronic Limited Slip Differential (E-LSD)	•
Launch Control System	•
<b>Chassis:</b>	
Drive system	Front Wheel Drive
Front suspension	MacPherson strut suspension with coil springs, gas-filled shock absorbers and anti-roll stabiliser bar
Rear suspension	Multi-link suspension with coil springs, gas-filled shock absorbers and anti-roll stabiliser bar
Electronic Controlled Shock Absorber System (ECS)	•
Rear strut brace	•
<b>Wheels and Braking System:</b>	
Wheels	19" Alloy
Tyre	Pirelli P-Zero HN 235/35 R19
Compact spare wheel and tyre	•
Tyre pressure monitoring system (TPMS)	•
Braking system	Power assisted braking system with ventilated front disc and solid rear disc brakes with ABS, EBD and BAS
<b>Steering:</b>	
Type	Rack-Type Motor Driven Power Steering (R-MDPS)
Steering column	Manual tilt & telescopic adjustment
Turning Circle (m)	11.6
Energy absorbing collapsible steering column	•
<b>Safety Features:</b>	
ABS braking with Electronic Brake-Force Distribution (EBD)	•
Brake Assist System (BAS)	•
Electronic Stability Control (ESC)	•
Traction Control System (TCS)	•
Vehicle Stability Management (VSM)	•
Lane Keeping Assist (LKAS)	•
7 Airbags (Dual Front, Side, Curtain and Driver's Knee Airbag)	•
Autonomous Emergency Braking (AEB)	•
Driver Attention Alert (DAA)	•
Front seatbelt pretensioners and load limiters	•
3-point tether child seat anchor points	•
ISOFIX child seat anchor points	•
Height adjustable seatbelts (front)	•
3-point lap diagonal (ELR) seatbelts	•
Child safety rear door locks	•
Electro chromatic rear-view mirror (ECM)	•
Automatic dusk sensing headlights	•
Rain sensing wiper system	•
Rear park assist system	•
Front park assist system	•
Reversing camera	•
First aid kit	•
<b>Exterior Features:</b>	
Heated and electrically adjustable side mirrors	•
Electric folding side mirrors	•

Car type	i30 N
LED Headlamps	•
LED daytime running lights (DRL)	•
LED Tail Lights	•
Panoramic Sunroof	Additional Cost Option
Rear spoiler with high mounted LED stop light	•
<b>Interior Features:</b>	
Suede/Leather N interior trim **	•
Leather N steering wheel and gearshift trim **	•
Driver seat 12-way electric sliding, reclining, height and lumbar adjustable	•
Passenger seat 8-way electric sliding, reclining, height and lumbar adjustable	•
Memory seat system with 2 positions	•
Heated front seats	•
Heated steering wheel	•
Power windows	•
Wireless smart phone charging***	•
Black head lining	•
Alloy pedals	•
Rear seat 60:40 split folding function	•
Boot storage compartment	•
<b>Security:</b>	
Proximity key and engine start / stop button	•
Keyless entry with anti-theft alarm	•
Engine immobiliser	•
Hyundai Active Locking Operation (HALO) including speed sensing auto door locking	•
<b>Comfort and Convenience:</b>	
8" touch screen audio system with Radio, MP3, Apple Carplay and Android Auto compatibility	•
4 speakers and 2 tweeters	•
Satellite Navigation with SUNA traffic updates	•
Bluetooth handsfree phone system	•
Steering wheel mounted audio and cruise controls	•
USB with auxilliary iPod input	•
Automatic dual climate control air-conditioning with pollen filter	•
Glovebox cooling	•
Trip computer including distance to empty, average fuel consumption, average speed and outside temperature display	•
4.2" colour TFT driver information display	•
Illuminated vanity mirror in driver and front passenger sunvisors	•
<b>Weights and Capacities:</b>	
Fuel tank capacity (litres)	50
Boot capacity (VDA litres) - seats down	1,287
Boot capacity (VDA litres) - seats up	381

Overall width (mm)	1,795
Overall height (mm)	1,447
Wheel track - front / rear (mm)	1,556 / 1,564
<b>Sustainability:</b>	
Combined fuel economy (litres / 100km)*	8.0
Co2 emissions (g / km)	186
<b>Warranties:</b>	
10 year / 200,000 km anti perforation corrosion body warranty	•
3 year / 100,000 km mechanical warranty	•
3 year / 100,000 km roadside assistance package	•
•: Standard -: Not Available	

Specifications, features, equipment and colours shown in this brochure are subject to change without notice or obligation. \*Fuel consumption figures are based on ADR 81/02 tests and factory information. These figures are provided to assist you in comparing the fuel consumption of the i30 N range with other vehicles. The actual fuel consumption will depend on many factors, including your driving habits, the prevailing conditions and your vehicle's equipment, condition and use. \*\*Finishes specified as leather contain a combination of genuine leather, polyurethane leather (leather substitute) and man-made materials. \*\*\*Compatible smart phones only.

# Key specifications.

## Engine and transmission

- 2.0L turbo GDI four cylinder. Six-speed manual
- 202kW/353Nm (overboost 378Nm)

## Performance

- Performance brake package
- Electro-mechanical Limited Slip Differential
- Electronically Controlled Suspension
- Active Variable Exhaust System
- Launch Control
- Rear stiffness bar – chassis brace in luggage area
- Rev matching
- N race computer
- N drive mode system

## Exterior and technology

- Full body styling package
- 19-inch alloy wheels, Pirelli P-Zero HN tyres
- LED headlights and taillights
- LED Daytime Running Lamps

## Interior and technology

- 8" touch screen satellite navigation
- Apple CarPlay™<sup>1</sup> and Android™<sup>2</sup> Auto compatibility
- DAB+ radio
- Bluetooth®<sup>3</sup> connectivity
- SUNA™<sup>4</sup> live traffic updates
- Dual zone climate control
- Alloy pedals
- Sports front seats
- Driver's extendable thigh-support
- Windscreen auto defog function
- Power windows
- Cruise control

## Safety

- Hyundai SmartSense™<sup>5</sup> including:
  - Autonomous Emergency Braking (AEB)
  - Driver Attention Alert (DAA)
  - Forward Collision Warning (FCW)
  - Lane Keeping Assist System (LKAS)
- Rear view camera with rear park assist system
- Automatic dusk sensing headlights
- Tyre Pressure Monitoring System (TPMS)
- 7 airbags

## Comfort and convenience

- Suede effect/leather seats<sup>6</sup>
- Wireless smartphone charging<sup>7</sup>
- Smart key and push button start
- 12-way electrically adjusted front seats with driver's Integrated Memory System (IMS)
- Front park assist system
- Rain sensing wipers
- Power folding exterior mirrors
- Heated front seats
- Heated steering wheel
- Rear privacy glass
- LED courtesy and puddle lights
- Solar control windscreen glass
- Electro-chromatic interior mirror
- Luggage net

# Style, your way.

The i30 N is offered in six stunning paint finishes, including the exclusive 'Performance Blue', which is the primary element of the livery of Hyundai's World Rally Championship (WRC) cars that have contested the category since 2014.

**Polar white**  
Solid - (PYW)

**Clean slate**  
Metallic - (UB2)

**Micron grey**  
Metallic - (Z3G)

**Phantom black**  
Mica - (PAE)

**Performance blue**  
Solid - (XFB)

**Engine red**  
Solid - (JHR)

1. Apple CarPlay™ functionality requires software update. Apple CarPlay™ requires iPhone 5® or subsequent model (lightning cable) in order to operate. Apple® and iPhone® are registered trademarks of Apple Inc. 2. Android™ Auto requires a device with Android 5.0 operating system or subsequent version in order to operate. 3. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. Please check your Bluetooth® device's capabilities to ensure compatibility. 4. SUNA™ live traffic channel coverage is available in the following metropolitan areas only: Auckland, Tauranga, Hamilton, Wellington, Christchurch, Dunedin. 5. Hyundai SmartSense™ is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving. 6. Suede effect/leather seats means parts of the seats have a combination of genuine and artificial leather, but are not wholly leather. 7. Wireless smartphone charging requires a Qi-enabled smartphone or adapter to operate. All images shown are overseas models. Colours shown are indicative only and may vary due to the printing process. Metallic and mica paint are optional extras at an additional cost.
