## Who is HAVAL

### Built for the world by the world

Although new in Australia and New Zealand, HAVAL is one of the world's largest specialist SUV companies. With over 5 million owners, HAVAL is the No.1 SUV brand in the world's largest auto market – China, and has been for the last 16 years.

Our philosophy is simple – employ the best people, use the best technology and suppliers in the world and utilise high precision robots for consistent quality. No wonder HAVAL SUVs are recognised for their style, features, build quality and deep lustrous paintwork.

When you invest in a HAVAL, you can be confident that it's been designed with care, built with pride and engineered to last.

We look forward to welcoming you to the HAVAL family.

## H2

Compact SUV

## H6

Sporty mid-sized SUV

## H9

Ultimate 7-seater family adventure 4WD

H2 Interior - LUX model

## It's the Details That Count

With delightful touches such as the subtle mood lighting, soft touch materials and even a curbside camera on the LUX model, the H2 is designed with care.

Ice blue mood lighting (standard on LUX model)

18" 10-spoke alloy wheels

Daytime running lights

Easy access controls

## Easy to Access and Drive

With Haval's ergonomic humanistic approach to design, the H2 is one of the easiest SUVs to access.

Designing the seats at an average hip-height provides easy entry and exit, so there's no awkward climbing as is often the case with many SUVs on the market.

Behind the wheel you'll notice the comfortable upright driving position giving you maximum vision of the road ahead, and the logical placement of switches and controls make for easy driving.

Hip-height ergonomic seat design for easy access

## Enjoy the Luxury

Step inside the Haval H2 and be welcomed into a world of luxury and comfort, with ample room to store everything you need for your journey.

The multi-function dashboard combines digital technology with analogue styling to clearly display relevant driving information.

The leather steering wheel incorporates audio, Bluetooth, cruise control and trip computer functions.

Keyless start. Your adventure begins with the touch of a button.

Keyless entry. The intelligent key carried by the driver can sense and automatically lock and unlock the doors when you are in close proximity with the H2.

Automatic dual-zone climate control air-conditioning (LUX model)

Entertainment system

Electric heated front seats (LUX model)

HAVAL laser puddle lights (LUX model)

Six-way electric adjustable drivers seat (LUX model)

Electric sunroof

## Enjoy the Comfort

At HAVAL, we understand life can sometimes be stressful. The HAVAL H2 incorporates advanced technology and equipment levels to ensure your journey is stress-free.

All-round airbags (front dual airbags and front dual side airbags and integrated side curtain airbags)

## Relax You're in Safe Hands

The 5 Star ANCAP rated Haval H2 has a full suite of active and passive safety features built into its strong passenger cell.

Airbags deploy immediately to reduce impact forces and minimise the potential for injury. Full-length side curtain airbags provide additional protection for rear-seat passengers.

The perfect combination of reversing sensor and reversing camera provides you with accurate information when reversing out of driveways or car parks.

The latest generation Bosch ESP (Electronic Stability Program) keeps the H2 on your chosen path and helps prevent slipping and skidding.

The Tyre Pressure Monitoring System (TPMS) constantly monitors tyre pressures for optimum performance and economy.

Front-row active headrests on the LUX model provide additional protection in the event of rear-end collisions by moving forward and upwards to support the passengers' head and neck.

## Turbo Power and a Smooth Ride

Equipped with a 4 cylinder 1.5L turbo charged engine matched to a 6-speed auto, the HAVAL H2 is powerful and economical.

Designed with superior road comfort, the H2 feels solid and secure due to its sophisticated SUV suspension.

Overseas model shown

Engine	1.5L Turbo
Fuel Type	Petrol
Displacement (L)	1.497
Rated power/engine speed (kW/rpm)	110/5600
Maximum torque/engine speed (Nm/rpm)	210/2200-4500
Emission standard	EURO V

The HAVAL H2 offers sophisticated SUV suspension providing outstanding manoeuvrability, handling and comfort in all conditions. It's designed to be just as at home in the urban jungle as it is exploring off the beaten track.

Front MacPherson + Rear Multi-Link Independent Suspension.
