IGNIS

TURN IT UP

Want to stand out from the crowd? Drive the only super compact SUV, the new Suzuki Ignis. Fun, functional, and unique, the Ignis is as comfortable in the city as tripping around the country. With loads of space, a high seating position and incredible fuel economy, every journey is one worth taking. So, start the engine and turn it up. Your adventure in the Ignis has just begun.

TURN ON TO TECHNOLOGY

Plan your trip, cruise along, call your friends, and turn on your favourite tunes. The choice is yours inside the new Ignis. Tap the 7-inch touchscreen infotainment unit complete with Sat Nav, Apple CarPlay®, and Android Auto™, and there's entertainment, connectivity, control and convenience (GLX CVT, LTD). Set the ambient temperature and use the easily accessible steering wheel controls to cruise at your own steady pace. Ignis just put the fun back into driving.

SEAT HEIGHTS DESIGNED FOR COMFORT

An elevated seating position makes it easier to get in and out and also creates a higher eye point for better visibility.

COMFORT BEHIND THE WHEEL

Find a comfortable driving position by tilting the steering column and adjusting the driver's seat height.

FLEXIBLE LUGGAGE SPACE

Ignis boasts a luggage space volume of 514L when the sliding rear seats are folded down.

EASY SLIDING REAR SEATS

The left and right rear seats slide forward and backward separately from each other, making it possible to adjust for legroom, luggage and all sorts of situations (LTD).

EVERY DAY SAFELY

Get out and explore or simply enjoy the ride with peace of mind thanks to the Ignis's advanced safety systems and driving features. You and your passengers are well protected with six airbags and Suzuki's TECT (Total Effective Control Technology) high rigidity frame incorporating high-tensile steel for structural integrity. Prevention is equally essential with features such as Electronic Stability Programme (ESP), ABS with EBD, cruise control, speed limiter, and reverse camera (GLX CVT, LTD), Wherever life takes you, the Ignis will make sure it's a safe one.

ESP

Electronic Stability Programme (ESP) helps you stay in control when you are cornering by counteracting understeer and oversteer in the Ignis. It also improves traction and reduces skidding whatever the road surface conditions.

HILL HOLD CONTROL

Hill starts are easy in the Ignis as the brake is automatically applied until you move forward, preventing you from rolling backwards (CVT).

ABS WITH EBD

Braking force on each wheel is automatically adjusted in relation to the available grip to provide the right amount of pressure to bring the Ignis to a safe, controlled stop. The Ignis also features powerful ventilated front disc brakes and rear drums.

SAFETY ENGINEERED BODY WITH 6 AIRBAGS

Suzuki's TECT (Total Effective Control Technology) makes Ignis both lighter and safer for occupants as the crumple zones absorb and dissipate collision energy. The Ignis is equipped with a 6 airbag system which includes front and side airbags for the driver and front passenger, and side curtain airbags.

GUIDE ME LIGHTS

The Ignis's Guide Me headlamps continue to illuminate the road for a short while after you get out. When the doors are unlocked with the remote, the headlamps turn on to lead you to and from the vehicle (LTD).

LED PROJECTOR HEADLAMPS, DRLS & FOG LAMPS

The distinctive LED projector headlamps in the Ignis LTD are automatic light-sensing and levelling with integrated LED daytime running lamps. Situated in the lower bumper, the front fog lamps help visibility in dense foggy conditions.

SUZUKI NEW ZEALAND LIMITED 1 HEADS ROAD, WHANGANUI. WWW.SUZUKI.CO.NZ

Standard and optional equipment available may vary from time to time. Some international models illustrated - please enquire at your Suzuki dealer for exact specifications. Suzuki New Zealand Ltd reserves the right to change, without notice, prices, colours, materials, equipment, specifications and models, and also to discontinue models.* Fuel consumption will vary due to factors such as vehicle condition, driving style and traffic conditions.

When you buy a Suzuki, you're not just buying a car, you're joining the Suzuki family. We make some of the world's favourite compact vehicles and take great pride in the level of service and support we offer our customers. Our New Zealand dealer network is second to none and we've won more independent customer satisfaction awards than any other manufacturer.

BIG ON SMALL CARS AND SUVS

Today, as the world becomes increasingly motorised, the mantra of 'smaller, fewer, lighter, cleaner' takes on even more importance. With Suzuki's small car expertise we're leading the way with a range of small cars and SUVs designed for modern lifestyles. Featuring next-generation technology, our highly fuel-efficient compact vehicles are purpose-built for minimum environmental impact and maximum enjoyment. In New Zealand, Suzuki's new vehicle fleet is the cleanest of any mainstream brand. (2019 result for top 10 vehicle manufacturers.)

SUPPORTING OUR COMMUNITY

We support those things Kiwis care about; the organisations and worthy causes making a difference to New Zealand lives. Suzuki is honoured to get behind these passionate people and fun events which make a difference in our community.

LEUKAEMIA & BLOOD CANCER NZ

With a vision to cure and a mission to care, this amazing organisation works tirelessly helping everyday Kiwis come to terms with leukaemia, lymphoma, myeloma and related blood conditions. Last year, the frontline support services team covered more than 50,000 kilometres in their brightly coloured Suzuki Balenos and Swifts; providing patients, their family and friends with emotional and practical support.

SILVER FERNS

AA DRIVING SCHOOL

With over 1.5 million members the AA is New Zealand's largest automobile club. Their driving school is one of the most respected in the country and includes programmes for drivers of all levels. Thousands of kiwis have learnt to drive or improved their skills in the school's fleet of modified dual control Swifts. Swift's 5-star safety, agility and easy handling make it the perfect choice for learners.

MAKING DRIVERS SAFER

To help make our roads safer for everyone, Fleetcoach has developed a virtual driver training programme for employers to identify, train and upskill their staff. State-of-the-art interactive videos put drivers behind the wheel of a Suzuki, allowing them to identify driving hazards and improve their road safety skills online.

REAL VALUE

Real Value isn't just about sharp pricing, it's about worry-free enjoyment of your new Suzuki and protecting its on-going value.

5 YEAR WARRANTY PACKAGE

A comprehensive 3 year/100,000 km new vehicle warranty. This covers your entire vehicle for the most important part of its lifecycle and includes a 2 year powertrain warranty extension for a total of 5 years worry-free motoring.

5 YEAR SUZUKI ASSIST

This is one of New Zealand's most comprehensive roadside assistance programmes. It has you covered all day, every day for 5 years from when you first buy your Suzuki – no matter how many kilometres you travel.

SUZUKI BENEFITS PROGRAMME

Purchasing a Suzuki gives you access to the Suzuki Benefits

Programme offering a host of benefits like discounts on
fuel, rental vehicles, insurance and a whole lot more.
