Terms and Conditions

To keep the Mechanical Assurance Plan and Roadside Assist coverage valid you must have your car serviced only at our service centre. You will benefit from our Dealership's Mechanical Assurance Plan if your vehicle is serviced only by us, during both the Manufacturer's full warranty and also our Dealership's Mechanical Assurance Plan until both periods expire (in accordance with the manufacturer's requirements). After the expiry of the Manufacturer's Warranty period and upon commencement of our Dealership's Mechanical Assurance Plan, you will enjoy our Dealership's Fixed Price Servicing.

If you choose to have these services done elsewhere you may not necessarily void your Manufacturer's Warranty, however we will not be able to offer you our extended coverage. Any claims/repairs must be taken back to our dealership unless you are outside a 50km radius from the Dealership, then you should contact 0800 700 004 to get an authorisation. A claim will not be paid without an authorisation number. The plan covers wear and tear of all covered components. Services done elsewhere will not be approved or recognised. The cover provided by the plan begins on the expiry of your Manufacturer's Full Warranty but the Terms & Conditions start from day one. This Contract is not transferable. Refer to the Mechanical Assurance Plan contract for full terms and conditions
