

MECHANICALPLUS™

**We want you to be happy when you buy a vehicle from us
and enjoy years of worry-free motoring.**

The Brendan Foot Supersite Mechanical Plus plan provides you with peace of mind after the Manufacturer's Warranty has expired, giving you **FREE** additional mechanical cover up to **10 years**.

BENEFITS

- ✓ Peace of mind knowing that should there be a major mechanical fault after the manufacturer warranty expires, the Brendan Foot Supersite Mechanical Plus plan will contribute up to \$1,000 towards the repair.*
- ✓ The plan covers most major internally lubricated components of the vehicle, plus the engine management computer, as listed overleaf.
- ✓ The value of your vehicle is protected due to consistent, regular servicing.
- ✓ Repairs will be undertaken to a high standard by highly trained specialist technicians using the latest technology and equipment.
- ✓ You are dealing with Brendan Foot Supersite, a long-established and trusted dealership.
- ✓ **The Brendan Foot Supersite Mechanical Plus plan is FREE.**

TERM

**10 Years (including manufacturer warranty)
or 150,000km, whichever comes first**

PER CLAIM LIMIT

\$1,000

TOTAL CLAIM LIMIT

\$3,000

CONDITIONS

All servicing must be carried out at Brendan Foot Supersite both during the Manufacturer Warranty period and during the term of the Mechanical Plus plan.

Servicing needs to be done at the same intervals specified on the Manufacturer Warranty schedule.

* See us for full terms and conditions.

MECHANICALPLUS™

PARTS COVERED

The plan covers most major internally lubricated components of the vehicle, plus the engine management computer as shown here. If a part is not listed, then it is not a covered component. The plan does not cover the bodywork or interior of the vehicle.

FUEL MANAGEMENT SYSTEM

Fuel pumps, injectors, injector pump, fuel pump relay.

CLUTCH ASSEMBLY

2WD vehicles only. Clutch fork, clutch master, pressure plate, slave cylinder, release bearing, flywheel/dual mass.

STEERING

Idler arms, pitman arms, power steer box, power steering pump, steering rack, tie rod ends.

ENGINE

All internally lubricated parts, including:

Camshaft, connecting rods and rod bearings, crankshaft and main bearings, gudgeon pins, oil pump, pistons, oil pressure sensor, piston rings, push rods and lifters, rocker arms, timing chain, timing gears, valves, valve guides and seats, valve springs, EGR valve, turbo.

Excluded from this cover are: Cylinder head(s), engine block or bores or blown head gaskets.

COOLING ASSEMBLY

Electric fan thermostat, fan hub, radiator cooling fan motor, thermostat, water pump.

AIR CONDITIONING

Compressor, PTC heater, compressor clutch.

DIFFERENTIAL & DRIVE LINE

Bearings, centre bearings, crown wheel and pinion, drive axle housing if damage is due to failure of internally lubricated components, drive shafts, gears, half shafts, limited slip clutch pack, U and CV joints.

SUSPENSION

Control arms, top and bottom ball joints, radius rod bushes, stub axles, bump stop cushions, wheel bearings. Front and rear suspension bushes, does not include replacement of the hole arm when a bush cannot be replaced on its own.

BRAKING SYSTEM

Brake booster, calipers, hydraulic brake lines, master cylinder, wheel cylinders, electronic handbrake switch.

TRANSMISSION

Internally lubricated parts only. Transmission case if damage is due to failure of internally lubricated components.

ELECTRONICS & ELECTRO-MECHANICAL

Alternator, engine management computer, charge door actuator, power seat motor & switches, wiper arm & linkages, starter motor, voltage regulator, wiper motor, actuators, headlight/indicator switches.
