Price +ORC[†] **Insert Price**

*Price excludes On Road Costs of up to \$800 which includes WoF, Registration, a full tank of fuel and a Tyrewise stewardship fee. Fuel economy and range figures are based on the ADR 81/02 test for combined urban/extra urban driving. Two-Tone colour options available for an additional \$1,500. Fuel economy & CO₂ figures are calculated to WLT-3P. Please note that actual on-road fuel consumption will vary depending on traffic conditions, vehicle load and the individuals' driving styles. Note: The colours shown are approximate and may differ from the actual colours and your dealer will be aware of any variations.
